

On December 15, 2005, the Québec government used special legislation to impose pay and working conditions on more than 500,000 government employees. That decree expires in a few months. I don't want to go through that again.

I am: \_\_\_\_\_  
(name)

I work as a: \_\_\_\_\_  
(job title)

I work at: \_\_\_\_\_

I would like my employer and the government to abide by their obligation to negotiate diligently and in good faith. For 2010, I would like us to have a new negotiated contract that will put a stop to the erosion of our purchasing power and pave the way for genuine improvements in our public services.
